**Name of Online Community**: Designers Unite – Design is Thinking Made Visual

Target Individuals: People who are interested in designs especially professionals

Description of the Website

A
community where designers gain inspiration, community, and jobs and is your best resource to discover and connect with designers worldwide. It is the go-
to resource for discovering and connecting with designers and creative talent around the globe. We believe that creative collaboration can happen anywhere and want our people to work where they feel most comfortable and inspired.
